A L U M N I N E W S

Fall 2019

From Our Chief Executive

Welcome to our first edition of the Husch Blackwell Alumni Newsletter! We are very excited to be launching a formal HB alumni relations program.

This program will help keep us in touch with the many people who contributed to our firm's growth over the years.

Our program is in its infancy now, but is rapidly growing. This newsletter is a big step in reaching out to you and making sure that we stay in touch. We hope you find it beneficial, too, as it helps you stay in contact with your peer network. Through our communications channels, you can learn about referrals, job placements, events and professional development/CLE.

We have a dedicated person handling our Alumni Relations – [Shane Riedel](#). Many of you have worked directly with her over the years, and she is very eager to make this the best law firm alumni program. Her enthusiasm is quite contagious!

Many of you took our survey seeking information about how we can help you via this alumni program. Thank you for taking the time to fill it out. We listened to your responses, and based on your feedback, we are planning to build out a password-protected alumni portal. We will keep you posted on our progress. If you didn't fill out the survey, a link is attached [here](#). We also have a private [LinkedIn](#) page that includes announcements on other firm alumni, in addition to firm news and information.

Please send Shane any information you may want included in the next edition.

Again, welcome aboard! It is great to stay in touch.
