

HUSCH BLACKWELL

Solutions that move education forward.

For more than a century, we've committed ourselves to the advancement of knowledge. Our Education team collaborates with public and private academic institutions, including major research institutions, academic medical centers, religiously affiliated institutions and publicly traded school groups. From K-12 to undergraduate, graduate and professional education, we offer smart legal solutions so our clients can put learning first.

From offices in 19 cities plus one all-virtual office, our 700+ attorneys celebrate broad perspectives, welcome complex challenges, and move clients forward.
